GALAXY'S SkySurf and SkyBiz service plans offer shared network access and are configured to accommodate the stated speeds. As in any best effort network speeds cannot be guaranteed. Galaxy Broadband will offer technical support in the event a subscriber is experiencing difficulty with their service plan. Should it be determined, as a result of our troubleshooting process that the problem is "site" related, the site service is the responsibility of the reseller from which the end user purchased the equipment and installation and in no way is the responsibility of Galaxy Broadband. Any warranties of the site service and equipment replacement both written or implied are strictly a contractual agreement between the subscriber and the reseller and Galaxy Broadband Communications has no liability to the end user in this matter.

Terms and Conditions

Thank-You for choosing HughesNet by Galaxy Broadband Communications Inc. and provided by Hughes (the "Service").

Agreement: This agreement is between you the undersigned subscriber of the Service, and Galaxy Broadband Communications Inc. ("GBC"). By creating an account with and using the Service, you agree to be bound by these Terms and Conditions as well as our Subscriber Agreement, the Fair Access Policy and Acceptable Use Policy on our web site at http://www.galaxybroadband.ca/Galaxy_Broadband_services_hughesnet_FAP.html (collectively, the "Agreement"). This Agreement may be changed by GBC at any time without providing prior notice to you. Any changes to this Agreement will be posted on the GBC Website. If you disagree with the changes you accept that your sole and exclusive remedy is to stop using the Service and notify GBC that you are terminating the Agreement. Your continued use of the Service after changes to the Agreement acknowledges your acceptance of the changed Agreement.

Service: GBC cannot guarantee upload or download speeds. The speed will vary depending on location, weather, wiring, internet traffic, content of a particular website, as well as overall performance and configuration of your computer.

Term: This Agreement is effective as of the date your account is created with GBC and the Service is activated. The minimum initial term is 18 months, or 24 months if this extended term is selected. After which time has passed you will be renewed automatically on a month to month basis.

Cancellation: If you would like to cancel before the initial term you will be charged an Early Termination Fee. For 18 month terms, the Early Termination Fee is the remainder of the Term (the monthly fee for your selected Service plan times the number of months remaining) or a \$450 Early Termination Fee, whichever is the lesser amount. For 24 month terms, the Early Termination Fee is the remainder of the Term (the monthly fee for your selected Service plan times the number of months remaining) or a \$550 Early Termination Fee, whichever is the lesser amount. Requests for cancellation will not be processed unless the request is received by GBC in writing. If you would like to cancel the Service after the initial 18 or 24 month period you must notify GBC in writing 30 days prior to deactivation. If these Terms and Conditions are not followed GBC has the right to terminate the Service without notice and without any liability whatsoever.

Changes: Any changes you request to your Service are subject to a \$49.95 processing fee, including satellite changes and service level changes.

Seasonal Hold: Requests for seasonal hold must be received by GBC in writing and can be requested once per calendar year of your contract. Additional requests are subject to a \$49.95 reactivation fee. Service will automatically be reactivated and billed six months after the hold is requested. Period of time service is on hold will be added to contract end date to complete minimum 18 or 24 month contract term. Minimum of two business days required to reactivate service.

Payment: The monthly fees are payable when due. You must provide GBC with accurate and complete billing information, as well as the location in which the Service has been installed. If your account is past due it is subject to a late payment fee. Delinquent accounts may be suspended or cancelled at the sole discretion of GBC, however your monthly service charges will continue until your account has been cancelled in writing. A suspended account is subject to the \$49.95 processing fee. A minimum period of 1-2 business days required to re-activate suspended accounts. Payments returned from the bank or credit card company for insufficient funds are subject to a \$30.00 service charge. If you are purchasing used equipment you are responsible to pay all outstanding balances before the system can be re-activated. Prices are subject to change without notice.

Installation: Industry Canada has very strict regulations for installing and pointing a transmitter, therefore only certified installers must install the equipment. You are responsible for all costs due to the inside and outside wiring and mounting of the system. GBC, its agents, employees, representatives, or contractors have no liability for any damage to or loss or destruction of any of your hardware, software, files or data. It is your responsibility to backup all existing files. This document allows access to Galaxy Broadband's range of service plans. To achieve proper connectivity to our network a subscriber must have the required HughesNet equipment and a system professionally installed and meeting minimum system signal levels as determined by Galaxy Broadband. The ability to achieve those levels and the required site service is solely the responsibility of the subscriber and the dealer from which the equipment and installation were purchased.

Required Equipment: You certify that the computer you are using meets the minimum requirements, and if not it is your responsibility to upgrade it so it meets the requirements or GBC cannot support the system in any way.

Warranty: The Hughes HUGHESNET equipment is covered by a 12 month warranty. Normal time frame for replacement is 7 days from the time it is resolved defective. This warranty does not cover labour or installation charges that may be required to replace the defective unit.

Governing Law: This Agreement shall be construed and enforced in accordance with the laws of the province of Ontario. You irrevocably submit to the jurisdiction of the courts of the province of Ontario, and irrevocably waive any objection at any time to the venue or convenience of forum of any suit, action or proceeding arising out of this Agreement brought in any such court.

Entire Agreement: This Agreement together with the Acceptable Use Policy and any applicable Order(s) set forth the entire understanding of the Parties with respect to the subject matter of this Agreement and supersede all prior agreements or understandings pertaining to the subject matter hereof.
